Just Faith

Purpose. From A New Perspective.

"Today we are again invited to undertake the paschal journey to Truth, a journey that includes the cross and renunciation, which will be uncomfortable but not sterile. We are invited to admit that something is not right in ourselves, in society and in the Church, to change, to turn around, to be converted." —Pope Francis 1

The JustFaith program is a spiritual journey for small groups that invites people to engage the world's needs with compassion. Offered in nearly 2,000 parishes and Catholic organizations since it was first developed, JustFaith provides a lively and challenging format in which people explore and are formed by our faith tradition and the call of Jesus to love our neighbors as ourselves.
