

## **Prayer to Our Lady of Lourdes**

Lord God, You heal those who suffer in body, mind and spirit.

You show mercy and compassion to sinner, and You console the afflicted.

You know my needs, my pains, my sorrows, my sufferings.

By having the Virgin Mary appear in Grotto of Lourdes, You make this a privileged sanctuary where You dispense Your favors. You have healed many in this holy place, and some You have cured. I join my prayers with those of the Virgin Mary in asking that you grant my requests, according to Your will.

In gratitude for these favors, I pledge to imitate the virtues of the Virgin Mary so that I may one day share Your glory. I pray all this through Christ our Lord.

Amen
