Shoshoni Notes
1960-1984**

In 1960 St. Margaret's church purchased lots 6 and 7, block 13 of the original townsite of Shoshoni, with building thereon, for the sum of \$3,000. Said building was to serve as a church for the people of Shoshoni. A loan was obtained from the diocese of Cheyenne for \$2500 to help purchase this property.

A new church building was built in Shoshoni in 1984 at a cost of \$55,000. The new St. Joseph's Church was dedicated on December 16, 1984. The Extension Society donated \$10,000 for this project.
